

Special Salary Rates Contact Information

After nearly 20 years of litigation, NTEU reached a very favorable settlement in the "special salary rates" class action lawsuit.

Under the settlement, the government paid some \$178 million in settlement of the claims of 212,000 current and former federal employees who were "special rate" employees between 1982 and 1988. More than \$81 million was distributed to employees in December 2003, and the rest will be distributed in early 2005.
