

# A DOZEN GOOD REASONS TO JOIN NTEU

**1**

NTEU is the fastest growing federal sector union, currently representing some 150,000 employees nationwide.

**5**

Members receive job-site representation on a daily basis from well-trained chapter officers and stewards.

**9**

NTEU is always working to improve the image of the federal employee in the media and through legislative actions.

**2**

Not a day goes by that NTEU nationally and locally isn't working for your rights as a federal employee.

**6**

Professional representation is provided to members in EEOC proceedings, hearings before the Merit Systems Protection Board, replies to proposed suspension, demotion or removal based on unacceptable performance.

**10**

Skilled negotiators represent NTEU members at the bargaining table resulting in effective and all-encompassing NTEU/agency contracts to protect employees' rights.

**3**

NTEU is the most powerful, pro-federal employee lobbyist on Capitol Hill, constantly testifying before Congress, rallying and petitioning on behalf of members for equitable pay, benefits and more hiring.

**7**

Members receive the national *NTEU Bulletin* and local chapter newsletters filled with legislation, litigation and negotiation updates, NTEU victories and member benefit information.

**11**

All members in good standing receive a free \$1000 Accidental Death & Disability insurance policy.

**4**

Members are perpetually protected through aggressive court actions spearheaded by NTEU's Office of the General Counsel.

**8**

Members elect their chapter officers, have a voice in the direction of the chapter and ratify their NTEU/agency contract.

**12**

Members are eligible for: NTEU Visa; life, long-term care, professional liability, auto, homeowners, dental and prepaid legal insurance; and discounts on moving expenses, car rentals, hotel/motel stays and more.

*Our strength comes from our membership. Each new member makes NTEU stronger—both locally and nationally.*

**Strengthen our voice.**
