

Did you know . . .

That membership in NTEU brings you more than just a strong union contract?

In addition to your contract benefits, NTEU offers special member-only benefits that take advantage of low group rates, such as dental, life, and other forms of insurance, and discounts on consumer goods, moving expenses, vacations, and more.

As an exciting, more convenient option, NTEU members have access to exclusive discounts and savings on shopping, travel, entertainment and many other products and services at online merchants!

But you must be an NTEU member and registered on NTEU's website in order to enjoy these benefits! Registration is fast and free.

It's like having a shopping mall right on your desktop!

Some of the Participating Merchants:
